ScanPartner® *fi-4220C*  
Color Duplex  
Workgroup Scanner

- Fast color scanning up to 25ppm/25ipm (150dpi, Portrait)
- Monochrome and grayscale capture up to 25ppm/25ipm (200dpi, Portrait)
- True 600dpi optical resolution with dual color CCD scanning array
- Unmatched reliability and paper-handling flexibility with 50-page automatic document feeder
- Flatbed feature for exception documents
- Bundled with Adobe® Acrobat® 5.0, ScandAll 21 and QuickScan™
- One year limited warranty
- Advance Exchange Replacement Program available for eligible purchasers

The Fujitsu *fi-4220C* and its arsenal of features is designed to maximize your scanning investment

Take workgroup scanning to a new level with the new *fi-4220C* color duplex scanner from Fujitsu, the leader in document imaging. Combining fast color, monochrome or grayscale capture modes, this scanner is the ultimate solution for every business's low volume or decentralized scanning needs. See how the *fi-4220C* scanner can improve your organization's overall competitiveness.

### 600dpi Optical Resolution

With true 600dpi optical resolution, this enhanced color scanner allows you to capture the most intricate details from your documents. The *fi-4220C* can pick up light pencil marks, dark highlighted text and even faint imprinted watermarks, all in a single pass. With functionality like this, the *fi-4220C* allows you to maintain the original content of your document and not just a muddled carbon copy.

Workgroup

Departmental

Production

### Blazing Speed and Durable 50-page ADF

Despite its petite size, this unit packs a punch with impressive speeds of up to 25ppm/25ipm, which makes it attractive against pricier departmental models. For the ultimate in flexibility, the duplex document feeder supports paper sizes as small as 2.1" x 2.9" and as large as 8.5" x 14". A flatbed is also standard on this unit, allowing you to scan the most difficult of exception documents. With its 50-page ADF and an average daily duty cycle of 500 documents, the fi-4220C has unlimited potential.

### User Friendly Control Panel

For the ultimate ease of use, initiate the scanning process directly from the scanner's control panel. Quickly scan to email or to the Web and change from simplex to duplex in a matter of seconds. Save valuable time and unnecessary steps by launching applications with the push of a button.

### Loaded with Software

Maximize the functionality of your scanner with a diversified assortment of inbox applications. Use Adobe Acrobat 5.0 to scan directly to PDF and create searchable archives. Engage QuickScan for fast batch scanning, and use the versatile TWAIN utility ScandAll 21 to scan to file and scan to print.

### Equipped with Dual Interface

Why choose between SCSI and USB when you can have both? The fi-4220C comes equipped with a dual interface featuring SCSI-2 and USB 1.1. Use SCSI-2 for standard connection or the USB interface for effortless "plug-n-play" connectivity. A SCSI-2 controller, SCSI cable and USB cable are also included in box for your convenience.

### Limited Warranty and Advanced Exchange Replacement Program

Fujitsu products are designed to give our customers the highest performance and reliability with the least amount of hassle. To prove this, Fujitsu Computer Products of America, Inc. (FCPA) offers a limited warranty on products sold through authorized distribution channels. In addition, FCPA also offers the Advance Exchange Service Program on selected Products, which may be the easiest and most comprehensive program in the industry. In the unlikely event of a product defect, FCPA will replace that product within two (2) business days. U.S. customers who have originally purchased products covered under the FCPA limited warranty that are not for resale may be eligible to participate. Of the applicable limited warranty and Advance Exchange Program, certain restrictions apply. For full details, call FCPA at 1-800-626-4686, option 2, or visit our web site at [www.fcpa.fujitsu.com](http://www.fcpa.fujitsu.com).

fi-4220C Scanner Specifications		
<b>Functional Specifications</b>		
Technology	Dual Color Charge coupled device (CCD) image sensor	
Resolution	50-600 dpi (600 optical)*	
Halftone patterns	Dither and error diffusion	
Grayscale	10 bit/1024 level (internal), 8 bit/256 level (output)	
Color	24-bit single pass color	
<b>Scanning speeds</b>		
<b>Output</b>	<b>Simplex</b>	<b>Duplex</b>
Monochrome & Grayscale @ 200dpi	25ppm	25ipm
Color @ 150dpi	25ppm	25ipm
Scanning Mode	Simplex and Duplex	
Document feeding mode	Flatbed and automatic document feeder (ADF)	
ADF Capacity	50 Sheets (letter/A4, 20 lb.)	
Document size	ADF minimum	(A8) (2.1 in. x 2.9 in.)
	ADF maximum	(Legal) (8.5 in. x 14 in.)
	Flatbed maximum	(A4) (8.5 in. x 11.4 in.)
Interface	SCSI-2 (50m) / USB 1.1 (selectable)	
Software Driver Support	ISIS® and TWAIN driver included (Win 98/2000/NT/Me/XP)	
JPEG Compression	Hardware; choose from 7 different levels	
<b>Physical Specifications</b>		
Power requirements (auto-switching)	100-240 VAC, 50/60 Hz	
Power consumption	34 W, Energy saving mode: 12 W	
Operating environment	Temperature	42° to 95° F (5° to 35° C)
	Relative humidity	20%-80% (non-condensing)
Dimensions (HxWxD)	9.0 in. x 11.9 in. x 22.4 in.	
Weight	17.6 lbs.	
Limited Warranty	1 year (from date of purchase). Advance Exchange Replacement Program also available for eligible purchasers. Certain restrictions apply; for full details, visit <a href="http://www.fcpa.fujitsu.com">www.fcpa.fujitsu.com</a> or call 1-800-626-4686.	
Inbox Contents	PCI SCSI card and cable, 6' USB cable	
Bundled Software	Adobe Acrobat 5.0, ScandAll 21, QuickScan	
fi-4220C Part Number	CG01000-480201	

\* Requires Pentium® III 933 MHz PC computer with 256 MB memory or above for optimum throughput.
